Patrol Rifle Instructor

Course Description:

This course is specifically designed to develop effective Patrol Rifle Instructors in the AR-15 platform patrol rifle. This will be accomplished through a thorough understanding of the weapon, its uses and limitations, legal aspects, demonstrating proficiency with the weapon, as well as specific training in the teaching of a patrol rifle course. Students will be required to work in teams researching and developing a classroom presentation on a specified topic as well as developing, setting up, and implementing a course of fire. The student instructors will be responsible for coaching, correcting errors, and furthering the skills of their fellow student instructors during the courses of fire. This course meets the requirements of PC 33220 for patrol rifle deployment and developing of instructors to teach officers in the patrol rifle to meet PC 33220.
