

# Critical Incident Response Training for Managers and Supervisors

Critical Incident Response for Supervisors and Managers is a comprehensive 32 hour course designed to provide law enforcement officers, dispatchers, supervisors, managers and executives with a fundamental response plan that can be applied to a wide variety of critical events.

This course is designed to give all responding personnel, regardless of their rank or agency, the ability to work together during large-scale emergency events. Students will be introduced to a “4-step critical incident response plan” that has been successfully implemented in hundreds of criminal, man-made and natural disasters throughout the United States. The course examines the most common failures in critical incidents and provides a proven methodology to quickly stabilize and organize these events.

***This class is POST Plan IV Certified and is reimbursable to the agency for travel, lodging, per diem, etc. - tuition is \$290.00***
